Major Projects - 2026
Active and Completed

Period / Country	Country	Project Name	Scope	Customer	Notes
2026-Active	Chile	CuEW	Tankhouse BusBar System Modification for Reduced Capacity	Confidential	Engineering & Procurement Assistance Designated Suppliers
2025-Active	USA	Confidential	Leaching Technologies Monitoring	Confidential	Consulting
2026-Active	Australia	Confidential	Pb Casting & Electrorefining	Confidential	Bussines Development Study
2026 - Active	USA	Confidential	Ni/Co/Cu Electrowining Tankhouse	Confidential	Bussines Development Study
2026	Argentina	Confidential	Copper SX/EW Package	Confidential	Firm Bid Package
2025-2026	Chile	Copper Bars Replacement	Equipotential Bars	Codelco	Supplis
2025	USA	FeEW	Demo Cell	Cionfidential	Engineering & Procurement Assistance Designated Suppliers
2025-Actual	Australia	C u/NI EW	Demo Plant	Confidential	Engineering & Procurement Assistance Designated Suppliers
2024 - Active	RSA	CuTH	Convertion of Direct EW from starting sheets to permanent balcks	Valterra	Engineering & Procurement Assistance Designated Suppliers
2023 - 2024	Belgium	BOB Project	Design and supplying of equipment for new copper decopperizing unit	Aurubis Olen	Engineering & Procurement Assistance Designated Suppliers
2023	Canada	EPCM	Cell Top Copper Bars	EPCM Supply Inc	Supplies
1999 - Active	Various	Supplying of Spares	Supplies for consumables including cells, lead anodes, cathodes, cell top furniture, equipotential bars, busbars, shorting frames, transformer-rectfiers, EPCM Packages, etc.	Various	Supplies
2020-2022	Belgium	BioLix	Engineering design and vendor coordination engineering for new SX/EW plant	COMET Traitements	Engineering & Procurement Assistance Designated Suppliers
2021 - 2022	Czech Republic	Mn EW Tankhouse	Technical Review of process and equipment design and supplying for EW Tankhouse	Confidential	Consulting
2021-2022	Belgium	Cu EW Rod Plant upgrading	Design and supplying of equipment for the upgrading of existing copper decopperizing unit	Aurubis Olen	Engineering & Procurement Assistance Designated Suppliers
2021	India	Pb ER Tankhouse	Technical Auditing Services for on-going Lead Electrorefinery	Confidential	Consulting
2020-2022	Russia	Acid Mist Capturing Zn EW	Development and test evaluation of acid mist capturing in Zn EW in commercial cells	Confidential	Demostration
2018-2021	Myanmar	Acid Mist Capturing in Cu EW	Development and test evaluation of acid mist capturing in Cu EW	Confidential	Demostration
2018 - 2021	Australia	Lead EW Tankhouse	Process and equipment design and supplying for new EW process intrpduced by customer to recover lead by use of MSA	Confidential	Consulting
2015	Zambia	Copper Electrorefinery Project	Process and Project Engineering input and supplying of main equipment for EPC package for new brownroot tankhouse 350 ktpy capacity to replace old Tankhouse	Confidential	Consulting
2015	Russia	Zn EW Expansion Project	Process and Project engineering support and supplying of min equipment for new ZnEW circuit in existing building to increase caacity by 200 ktpy	Engitec Technilogies S.p.A	Consulting
2012-2015	South Africa	RBMR Ni EW Tankhouse Upgrade	Redesign of Cell Top Furniture to debottle neck current operation	AngloPlatinum South Africa	Engineering & Procurement Assistance Designated Suppliers
2012 -2013	Perú	Toromocho	TankhousenDesign and Supply of complete CuEW equipment	Jacobs Engineering	Engineering & Procurement Assistance Designated Suppliers
2012 – 2014	France	Sungun Electrorefinery Project	Process and Project Engineering for EPC package for new tankhouse 200 ktpy capacity	Brochot S.A. France	Consulting
